ANGELA E. NOBLE
CLERK U.S. DIST. CT.
S. D. OF FLA. MIAMI

Hello,

Please do not treat this as ex parte communication.
I am a member of the public who wishes to express a general concern regarding the level of publicity surrounding the case Doe v. Bonnell, 1:25-cv-20757

In following publicly available information online, I have observed extensive public discussion, commentary, and media coverage by individuals connected to the case. My concerns are not about the merits of the case, which I fully understand are solely for the Court to decide, but rather about the potential impact that widespread online discourse may have on the privacy, safety, and well-being of the people involved.

I have no relationship to any party and no personal interest in the outcome. I simply wish to convey that the case is receiving substantial public attention, and from the perspective of an outside observer, the level of online visibility may create additional risks or complications.

Thank you for your attention to this matter.
